Choose delegates

Select who you would like to meet with and we will provide you with a schedule of face-to-face meetings.

Start networking

As well as your busy meetings schedule, naturally continue your conversations over coffee breaks, lunches, drinks receptions and a superb gala dinner.

Meet, connect and do business

Be part of **the physical activity facilities forum** and have unprecedented access to a host of key decision-makers involved in the design, build and management of leisure centres, sports clubs, play facilities, gyms, swimming pools and many other facilities in this rapidly evolving and growing sector.

Over one-and-a-half days you'll benefit from a tailored schedule of one-to-one meetings with operators, owners, managers, local authorities, architects, designers and contractors.

The paf forum is a professional yet informal event where relationships are extended through our social programme - yes, business can be friendly and enjoyable too!

Time to focus

The premise of **the paf forum** is to create the ideal networking environment. Away from day-to-day distractions; the immersive nature of the event allows people to focus completely on the meeting/networking activities leading to better, more memorable and meaningful relationships.

Types of project areas...

leisure centres, gyms, indoor & outdoor play facilities, multi activity centres, stadia, swimming pools, schools/ colleges/ universities, sports clubs, holiday & theme parks and many more.

Our project delegates want to meet with suppliers of...

sports buildings, indoor & outdoor play equipment, artificial & natural surfaces, sports flooring, fitness equipment, internal & external lighting, swimming pool suppliers, access control, changing area & washroom equipment, HVAC, energy management and many more.

A great opportunity to do business in an evolving sector

- Sport and physical activity makes a huge contribution to our economy. As one of the top 15 industry sectors in England, sport and sport-related activity generated Gross Value Added (GVA) of £20.3bn – 1.9 per cent of the England total*
- Sport England is helping people and communities create a sporting habit for life through the investment of more than £1bn of National Lottery and Exchequer funding between 2012 and 2017
- The government's School Sport Premium funding of £150m a year has been extended until 2020
- Sports clubs, local authorities, schools, parish councils and more can benefit from Sport England's £110m Inspired Facilities programme to fund the renovation and modernisation of local sports facilities
- Awards of up to £10,000 are available to not-for-profit organisations from Sport England's Small Grants programme to help more people play sport.

What the project delegates had to say...

"The paf is one of the first events in my calendar each year. It is a fantastic opportunity not to be missed by any leisure provider or supplier who is serious about wanting to promote sport and physical activity and who wants to see improvement." **Newcastle University**

"Probably the best networking event I have been to. It was great to meet reputable suppliers in the sector and introduce them to the world of college sport." **AoC Sport**

What the suppliers had to say...

"The leads I have achieved in one morning would take me six months to generate - priceless." **Fawns**

"Very well organised and professional event - I felt this style and format with face to face meetings with delegates that are interested in learning more about your business was most certainly beneficial for both parties." **Surfacing Standards Ltd**
